TO WHOM IT MAY CONCERN

This is to certify that Jean Claude Bernard was employed in the Construction Division of our Gove, Northern Territory Project from 20 July 1970 until 16 May 1973 when he was retrenched on the finalisation of the stage of the project on which he was associated.

During Mr. Bernard's period of employment, he carried out the duties of Senior Quantity surveyor in our Civil and Architectural Department.

During his period of employment, Mr. Bernard's work and conduct were most satisfactory.
